THE UNIVERSITY OF
SYDNEY

Welcome

For over 170 years, students and researchers have come to the University of Sydney from all over the globe to develop the skills, knowledge and influence to make the world a better place. I'm delighted to share that the University is now placed 19th globally in the highly regarded 2024 QS World University Ranking, which is a testament to the extraordinary achievements of our staff and students.

The University of Sydney is proud of the diversity of our student and staff cohort – a diversity that is matched by the wide range of courses we offer. The University of Sydney Foundation Program (USFP) and High Achievers Preparation Program (HAPP), delivered by our partner, Taylors College, provide pathways for a diverse range of ambitious students to undertake our undergraduate programs.

We are proud to have diversity and inclusion as our core values, and to be the institution of choice for more than 40,000 international students from more than 140 different countries. I hope you will join us.

Choose Sydney

*Ranked one of the best student cities in the world**

Set around a beautiful natural harbour, Sydney provides a stunning setting for your studies.

A taste for culture

Sydney hosts world-renowned exhibitions at institutions such as the Australian Museum and the Art Gallery of New South Wales. There are also regular performances of ballet, theatre productions and opera at the famous Sydney Opera House, the Sydney Theatre Company and many other venues throughout the city.

Food from around the globe

Enjoy a meal at some of Sydney's famous "eat streets" which host a truly global range of cuisines, including, Chinese, Italian, Vietnamese, French, Spanish, Japanese, Lebanese and Thai, just to name a few.

Alternatively, you can choose to eat at one of the many famous beach restaurants with glorious views of the blue Pacific Ocean.

The great outdoors

Sydney is known for its beautiful beaches, fantastic surfing locations and lively cafe and music cultures. The coastal location is great for walking, cycling, boat trips, seaplane flights and even helicopter tours. Nearby National Parks include Sydney Harbour, Royal, and the Blue Mountains national parks, where you can enjoy picnics, swimming and barbecues. With hot summers and mild winters, you can enjoy everything Sydney has to offer all year round.

Festivals and events

Experience Sydney's vibrant and dynamic festival and event scene! Immerse yourself in a captivating array of cultural celebrations, electrifying music festivals, and exciting food gatherings.

From the iconic New Year's Eve fireworks to the colorful Light festival Vivid Sydney, there's something for everyone in this city of endless festivities.

Key facts

- Population: over 5 million
- Australia's oldest and largest city
- Sydney is ranked as the 9th best student city in the world (QS Best Student Cities 2024)
- Home to world-famous landmarks: Sydney Opera House and the Sydney Harbour Bridge
- The economic hub of Australia
- Average temperatures in Summer: 19 - 26°C (66 - 78°F)
Winter: 9 - 17°C (48 - 63°F)

Location

- Taylors College campus is located in Waterloo, less than 5km's to the city centre
- The city is a 20min bus ride from the front of the campus
- Or a 10 min train ride from Green Square train station which is a short walk from campus
- The main University of Sydney campus is less than 3 kilometres away from the Taylors College campus

Discover The University of Sydney

The University of Sydney's flexible degree structures allow you to follow your interests while preparing for a career full of opportunities. Outside of the classroom, you can join a global community and get involved in extracurricular activities to shape your life at university and beyond.

A history of excellence

For over 170 years, the University of Sydney has maintained a long tradition of excellence in education – developing curious minds and embracing challenge and change. This is embodied by influential alumni in the public and private sectors making an impact worldwide.

Great Sydney location

The University of Sydney is located in one of the world's best cities. Sydney ranks in the top 10 student cities (QS Best Student Cities 2024). You're close to the action of the city centre and also minutes away from the inner west cultural hubs of Sydney. Studying on one of the world's most beautiful campuses, you will be surrounded by green parkland and a mix of rich heritage and modern architecture.

The widest breadth of courses in Australia

With more than 400 areas of study and over 100 majors and minors, no matter what you choose to study, the University's flexible degree structures enable you to create your own path.

A world top 20 university

The University of Sydney is now placed 19th globally in the highly regarded 2024 QS World University Rankings, jumping 22 places from last year.

We are also ranked in the world's top 50 universities for more than 30 subjects#.

#2024 QS World University Rankings by Subject

World-class learning facilities

The University continues to invest in world-class infrastructure for generations of students. These purpose-built facilities bring together students and staff from multiple disciplines and place them at the forefront of innovation, learning and research. You will find all the resources you need on campus, including Australia's largest university library, learning hubs open to students 24 hours a day, and a range of technical, computing and research facilities.

Campus life

Students have the option to join over 240+ clubs and societies on campus – from academic groups to food, sport and debating clubs, there is sure to be something for you.

About Taylors College Sydney

College policies and procedures

'Education is your passport to the world, it grants you exposure to diverse cultures, to acquire knowledge, to gain experience and to seize the endless opportunities it brings.'

Jane James, PFHEA,MA
College Director, Taylors College Sydney

Academic *journey*

Gain a great support network and make the most of your study abroad experience.

Develop communication, collaboration and critical thinking skills and make the most of your study abroad experience.

Our programs

Students who study a preparation program at Taylors College will embark on an academic journey that will foster their ability to think critically and be curious. Taylors College provides a foundation for academic success with modules that prepare students for their first year at University.

Academic support

Moodle

Taylors College teachers and students use Moodle, an online Learning Management System (LMS). Students will find learning materials and course information, as well as share and complete activities on this platform.

Informal learning spaces

Our campus is designed to provide students with a variety of informal learning spaces. These spaces range from a traditional library to cozy nooks where students can study quietly or collaborate in groups. Throughout the campus, you'll find designated areas to engage in focused learning activities, fostering a collaborative and conducive environment for academic success.

"The student journey is one where students have the opportunity to develop lifelong learning skills. Students are continually supported throughout their academic journey by the dedicated academic and student support teams so that they have every opportunity to reach their potential."

Shannon Hutchinson

Academic Director, Taylor College

Meet our staff

A supportive community

At Taylors College we want you to not only thrive academically, we want you to have an excellent student experience.

At Taylors College students will thrive academically and experience the best of student life.

Personal support

Personal counselling

If you need someone to talk to about anything from study to health-related matters, our dedicated counsellors are here to listen and assist.

Support for students under 18

Our dedicated Under 18 Coordinator offers additional support to our younger students, who are monitored on a daily basis for attendance and engagement in their studies.

All under 18 student accommodation must be approved by the University. For more information on support provided to under 18s, please visit: <https://www.taylorssydney.edu.au/college-policies>

Student engagement

Student ambassadors

Each year Taylors College invites students who demonstrate the qualities of leadership, integrity, and confidence to become Student Ambassadors. Our ambassadors represent the College through a range of activities and are recognised and developed as leaders.

Student success and engagement

Students can attend targeted workshops and drop-in sessions for further academic assistance to ensure they are positively engaged in their own study journey.

In addition to academic support, students have the opportunity to seek guidance and advice with our dedicated Student Success team. Group meetings are run throughout the programs and individual consultations are also actively encouraged. Our goal is to ensure students are informed and prepared for their progression to University.

Student clubs and activities

Participating in clubs, movie nights and life skills sessions amongst other events, creates a sense of community, as well as assists students in maintaining a healthy balance between their academic, social and personal lives. Through being a part of the co-curricular activities on campus, students can network and establish lifelong connections, in addition to exploring new interests.

Our monthly calendar is packed with student activities tailored to support students' diverse interests and needs. Students will always find something exciting and fun to do. Our student magazine Taylors Chronicles showcases the best of student art, stories and what's happening on campus.

"As Director of Student Success my role is to help you achieve your full potential by supporting your progression through our program and enabling your successful transition to the University of Sydney."

Rebecca James

Director of Student Success
Taylors College

Student accommodation in Sydney

A range of accommodation options and support services are available to Taylors College Sydney students to ensure you have the best experience possible while you are away from home.

Student residences

Across the city you will find a range of student residences, most of which provide 24-hour security. These fully furnished apartments offer you the chance to live more independently while providing communal areas and cooking facilities to share with your new friends.

Providers include:

- Iglu Redfern (students under 18 years of age please apply here: iglu.com.au/redfern-international-u18s)
- Scape
- UniLodge*

* Not approved for students under the age of 18

Homestay

Staying with a host is a great way to immerse yourself in an Australian home environment, get to know the culture and practise your English. This option offers a safe and supportive place to live. All our hosts and their homes undergo thorough security checks before students are placed.

Providers include:

- Australian Homestay Network
- Auzzie Families Homestay Care
- Global Experience International Student Accommodation
- Study Vision
- Family Homestay Services (FHS)

Rental houses or apartments

If you prefer to live in a house or apartment, there are many other rental or accommodation options close to our campus.

To search for current rental properties, visit:

- domain.com.au
- flatmatefinders.com.au
- flatmates.com.au

Please note: All students travelling without an approved guardian must live in University approved accommodation and book an approved airport transfer service.

All homestay providers are approved to provide airport transfer services. Students who require airport transfer services must book directly with the provider.

Iglu Redfern has an airport transfer service available for their students. Students are required to contact Iglu directly for this service.

Scape does not arrange airport transfers for students but transport to this location may be made with other providers offering transfer services. Students are encouraged to book airport transfers with any of the homestay providers as they offer these services.

Students over the age of 18 are also welcome to arrange airport transfers through the above providers.

Approved caregivers in New South Wales

Student welfare will always be our highest priority.

The University has made arrangements with the following organisations to provide caregiver services.

Caregivers liaise with the school and parents, and report on academic progress or any concerns regarding health and after hour activities.

There is also a 24 hour telephone service in case of an emergency. A Confirmation of Appropriate Accommodation and Welfare (CAAW) form will be issued when we receive notification from the nominated caregivers and we are satisfied with the accommodation and welfare arrangements:

Programs

University of Sydney Foundation Program (USFP)

Our University of Sydney Foundation Program (USFP) course is crafted to provide you with the essential academic skills and knowledge crucial for thriving in your undergraduate studies at the prestigious University of Sydney.

We understand that every student's journey is unique, which is why we provide the flexibility of different program lengths—Standard and Intensive. This ensures that regardless of your current academic level, you have the opportunity to tailor your learning experience to best suit your individual needs and aspirations.

Communication, Collaboration and Critical Thinking – New Curriculum

Taylor's College Sydney, in alignment with the University of Sydney, will introduce a new curriculum model starting July 2024. This curriculum prioritises the development of communication, collaboration, and critical thinking skills, in line with the University of Sydney's graduate attributes. By focusing on these essential skills, students will be well-prepared and equipped to excel in their university studies.

The implementation of this new curriculum underscores our dedication to nurturing students who are ready to embrace global citizenship right from the beginning of their educational path.

Addressing emerging trends:

Updated content, technologies, and interdisciplinary approaches ensure students are better prepared for the

future, equipped with the latest knowledge and skills to become confident, competent learners, and enhance their employability through skills development.

Increased student engagement:

Enhancing innovative teaching methods, active learning strategies, and student-centred approaches fosters greater student engagement, communication, critical thinking, problem-solving, and collaboration, resulting in a more enriching educational experience.

Student-centric focus:

Prioritising inclusivity, cultural sensitivity, and differentiated learning approaches accommodates various learning styles, backgrounds, and abilities, leading to increased student satisfaction and success.

Working with the University

The College and University collaborate on course content, assessment and exam moderation.

Additionally, students engage in progression days at the University, where they interact with faculty teams, explore the campus, and connect with Taylor's College alumni currently enrolled at the University.

Supporting your needs

Our experienced academic staff understand the unique challenges international students may face. They are available to offer tailored academic support to ensure your success.

Culturally inclusive environment

With students hailing from diverse countries and cultures, we foster an inclusive environment that respects and accommodates everyone's backgrounds.

Course and career guidance

Our student success team offer you valuable course and progression advice. It's about more than just good grades in your pathway program, you need the best advice to help you prepare for the future

Program	2024 Fee (AUD)
Standard Program (52 weeks)	\$45,226
Intensive Program (40 weeks)	\$43,277

Fees do not include any non-tuition fees that may be applicable see website for non tuition fees:

More about USFP

Programs

High Achievers Preparation Program (HAPP)

Our accelerated program, offering preparation to students with higher grades, can be the gateway to the University of Sydney degree of your choice.

The High Achievers Preparation Program (CRICOS 089556F) is designed for international students who have just missed out on direct entry to the University of Sydney. It is a fast-tracked program, which is a maximum of 14 weeks. HAPP will help you transition from high school to university study.

HAPP is a competency-based pathway to a bachelor's degree at the University of Sydney.

Progression to a bachelor's degree at the University of Sydney is based on successfully meeting the requirements of your chosen university degree.

You will study English and Uniprep, plus a choice of two of the following: Australian History, Sociology, Science Practicum and Advanced Mathematics.

Program benefits:

- Excellent preparation for undergraduate study including:
 - become a critical thinker
 - build research skills
 - become confident in oral presentations
 - participate in group work
 - develop self-awareness
 - expand digital literacy
- Build a network of friends from around the world, with a shared passion for learning who will accompany your journey from Taylors College to the University of Sydney.

"One of the most remarkable things about Taylors College is the staff and the teachers. They are very considerate and caring. They taught me how to write essays and reports and I know at university, having these skills is important."

Faezeh
Iran
High Achievers Preparation Program (HAPP) graduate

Program Type	2024 Fee (AUD)
High Achievers' Preparation Program (14 weeks)	\$28,965

Fees do not include any non-tuition fees that may be applicable see website for non tuition fees:

* Music will no longer be offered from July 2024

*** Current student choice of undergraduate degrees will not be impacted.

**** The USFP is delivered in a full-time face-to-face model. The hours under the New Curriculum may differ from those currently published.

Full-time means at least 20 hours of scheduled course contact hours per teaching week.

University of Sydney Foundation Program - Standard Course. CRICOS Course Code: 022310D. University of Sydney Foundation Program - Standard Intensive. CRICOS Course Code: 036126M. These courses will be delivered by Navitas Australia Pty Limited trading as Taylors College on behalf of the University of Sydney.

Course structures

HAPP High Achievers Preparation Program

More about
the subjects

Our accelerated program is taught full time over 14 weeks, preparing you for your chosen degree at the University of Sydney.

When studying this program, you will follow these steps:

- 1 Choose two compulsory subjects, as well as two additional subjects.
- 2 Check the University's assumed knowledge to ensure you have the right level of knowledge in the relevant subject areas before you commence your university degree.
- 3 The program is competency based and the available university degree depends on your entry grades.
- 4 Upon successful completion of the HAPP program, and meeting the University of Sydney English language requirements and any additional admission criteria that may apply, you can progress to the degree you wish to study at the University of Sydney.

Assessment methods

There is no final examination for HAPP as it is competency-based. Assessment of competencies is based on written and class activities linked to individual competencies including written and oral responses, quizzes and research projects.

Award

On completion, a Certificate of Completion is issued.

HAPP structure and content

Available subjects	Details
English	Critical reading and writing
Uni Prep	Development of essential technical and academic skills, with an emphasis on referencing, research and IT skills
Two of: - Australian History - Sociology - Science Practicum - Advanced Mathematics	Refer to subject descriptions Refer to subject descriptions Suitable for Science/Engineering/Health Science students

University of Sydney High Achievers Preparation Program.
CRICOS Course Code: 089556F.

"I feel HAPP really prepared me for university, it taught me more about how to deal with university academic life such as deadlines, improving my skills in debates, public speaking, discussions and much more."

Another advantage is although the entry requirement may be a little bit higher than the foundation program, this program is much shorter. In this time I saw many improvements in my academic life and confidence."

Please note that entry requirements for students who intend to apply via a University of Sydney Preparation Programs may be subject to entry requirements that differ from the above – for more information on your specific degree requirements please email taylorssydney.enquiry@navitas.com and one of our Taylors College team members will be in touch to assist you with your questions.

'The foundation program at Taylors College really prepared me for my undergraduate studies at the University of Sydney.'

Carmen, China

University of Sydney Foundation Program graduate.

Now studying the Bachelor of Commerce and Bachelor of Laws, at the University of Sydney

Academic English Preparation (AEP)

If you need to improve your level of English language skills in order to study a foundation program, AEP is the perfect solution.

AEP (CRICOS 085947A), offered by Navitas Australia trading as Taylors College, is not a University of Sydney program

Designed to help you boost your English language abilities, upon completing this course you should be at a linguistic level with which you can join the University of Sydney Foundation Program (USFP).

No IELTS required on successful completion of the required level of AEP

This means you do not need to take an IELTS test before progressing to your academic foundation program.

In order to progress from the AEP to the USFP, students must achieve an end term score of 60% in all 4 core skills (reading, writing, listening, and speaking). Students are also required to attend a minimum of 80% of their classes to complete the course.

Fast, effective progress in speaking, writing, reading and listening

The program focuses on maximising your progress in each of the four core English skills.

Fundamental skills for academic learning

You will develop note taking, essay writing, presentation and summarising skills to help you learn faster and with greater confidence. To help achieve this, modern educational technology is used extensively.

Personal study plan

When you apply, your English competency level will be determined. When you start your course, you will then be classed based on your language proficiency to make sure you start your English course at the right level.

Extension

You may extend your study plan if you do not manage to achieve the required level for your academic foundation program.

Academic support

You will receive academic advice to ensure you make a smooth transition into your USFP program.

Maximise your support

Class sizes are kept small so your progress can be monitored closely.

Regular testing

Your progress will be regularly checked to help ensure you reach your full potential, with reports provided every five weeks.

Delivered on campus

Your AEP lessons will be delivered face-to-face and will consist of 23 tuition hours per week.

Teachers

AEP teaching staff are highly qualified and experienced professionals in the English as a Second Language (ESL) field.

Assessment methods

Four skills (listening, reading, speaking and writing) are assessed with the final grade consisting of both coursework and final exam marks.

Certificate of Completion

Once you have successfully completed and finished the AEP course, you will receive a Certificate of Completion which is issued by Navitas Australia Pty Limited.

Start date	24 June 2024	30 September 2024
Duration	10 weeks	10 weeks
Entry level	IELTS 5.5 (no band below 5.0)	IELTS 5.0 (no band below 5.0)
USFP program	USFP Intensive October 2025	USFP Standard January 2025

More about AEP

“I was enrolled in the Intensive USFP Program, which accelerated my graduation to only 10 months. I am now studying a Bachelor of Commerce at the University of Sydney, majoring in Finance and Data Science. I was most excited throughout my experience at Taylors College, was meeting friends from around the world. Through social activities on and off campus such as ping pong and piano, I was not only able to bond in the moment, but have created lasting friendships that extend beyond my studies.”

Geraldus

Indonesia

Graduated from Taylors College in July 2022 and is now studying the Bachelor of Commerce at the University of Sydney

Awards and scholarships Taylors College Sydney and the University of Sydney

Taylors College Sydney is offering eligible students a range of awards and scholarships towards their foundation studies.

Taylors College Sydney offers scholarships for the first year a student is enrolled at the University of Sydney.

The available scholarships include:

- The Sue Harlen Scholarship valued at AUD \$16,000 - The Sue Harlen Scholarship is in memory of Sue Harlen who was the establishing academic of the University of Sydney Foundation Program.
- Three (3) Merit Scholarships valued at AUD \$8,000 each.

These scholarships are given as a credit against fees at the University of Sydney in your second semester of study (paid after the census date).

Future Leaders Award

Recipients of the Future Leaders Award will receive a contribution of 20 percent of their tuition fee for the duration of their Taylors College Sydney course. The Award will be automatically applied to eligible students and will be reflected in your letter of offer.

Eligibility criteria

To be eligible for the Future Leaders Award, there are certain requirements to meet including:

- Be an international student
- Hold citizenship of one of the eligible countries or regions: Bangladesh, Cambodia, India, Indonesia, Japan, Malaysia, Mongolia, Myanmar, Nepal, Pakistan, Philippines, South Korea, Sri Lanka, Thailand, Turkey, Vietnam, countries within Africa, countries within Central and South America (including Mexico and the Caribbean) and countries within Central Asia
- Meet the academic criteria for entry to your foundation program.

How to apply

To be successful, you need to meet the entry criteria for the University of Sydney Preparation program. The Future Leaders Award will be automatically applied to eligible students and will be reflected in the Taylors College letter of offer.

The University of Sydney Vice-Chancellor's International Scholarships Scheme (VCIS)

This scholarship of up to \$40,000 supports high-achieving international students pursuing coursework studies at the University of Sydney.

The VCIS is a scholarship offered on commencement of a coursework degree and is only awarded once, during the first year of commencement and is not renewable for the following years.

The University of Sydney – Sydney International Student Award (SISA)

The University of Sydney offers eligible students a 20% contribution towards their tuition fees for their undergraduate studies for the duration of their course with the Sydney International Student Award.

SISA is a University of Sydney award that celebrates the university's diverse and talented community of international students. Recipients will be awarded a university contribution of 20 percent of their tuition fee for the duration of their course.

Disclaimer

This prospectus is intended as a general guide for students considering entry to Taylors College Sydney from 2024.

Taylor College is a business name of Navitas Australia Pty Limited, Taylor College Sydney delivers The University of Sydney Preparation Programs on behalf of The University of Sydney. Taylor College Sydney programs, courses, and fees, as stated in this prospectus or any other Taylor College Sydney publication, are an expression of intent only and are form no part of any contract between the student and Taylor College Sydney. All costs and fees are provided in Australian dollars (AUD). To the best of our knowledge the information contained in this booklet is correct at the time of publication and may change without notice. Navitas Australia Pty Limited accepts no responsibility for any errors, nor any liability for any consequences that may follow from any person's use of the material. Taylor College Sydney's website is the most up to date source of information regarding courses and facilities. Please visit taylorssydney.edu.au before making any commitments. Any agreement with Navitas Australia Pty Limited does not remove the right to take action under Australian consumer protection laws.

The University of Sydney and its logo, Navitas Australia Pty Limited and the Navitas logo, are registered trademarks of the University of Sydney and Navitas respectively. Unless otherwise stated, all material in this publication is the copyright of Navitas Australia Pty Limited. No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form, or by any means, without the permission of Navitas Australia Pty Limited.

The Education Services for Overseas Students (ESOS) Act 2000 sets out the legal framework governing delivery of education to overseas students studying in Australia on a student visa.

Navitas Australia Pty Limited in providing education services to overseas students complies with the ESOS Framework and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code 2018). A description of the ESOS framework can be found at education.gov.au/esos-framework

For information on immigration requirements and student visas to Australia, visit immi.homeaffairs.gov.au

Navitas Australia and Taylor College conform to the requirements of the Tuition Protection Service (TPS) established by the Australian Government for overseas students. This assures students of all USPP courses that should Taylor College be unable to fully deliver their enrolled course of study they will be offered a suitable alternative course or have their unspent pre-paid tuition fees refunded. Any course may be altered or withdrawn owing to circumstances beyond Navitas Australia's reasonable control. Such circumstances include (but are not limited to) industrial action, lack of demand, departure of key personnel, the effect of any pandemic, change in government policy, withdrawal or reduction of funding, or change of law. Navitas Australia Pty Limited will take such steps as are available to it to minimise the effect of any alteration or withdrawal of a course and we will notify the student of such alteration or withdrawal as soon as possible. Such steps may include the offer of a place on an alternative course. Further details about this service can be viewed online at tps.gov.au

Terms and conditions, student policies and guidelines (including refund, complaints, and appeals policy) are available at taylorssydney.edu.au/college-policies

If you are under the age of 18, you will be supported by the campus welfare team as required by The National Code of Practice (2018), which is available at teqsa.gov.au/how-we-regulate/acts-and-standards/national-code-practice. You must also live in a homestay or designated caregiver accommodation. This can include the halls of residence on campus where available.
